

You became a content creator
TO CHANGE LIVES.

Not to do everything yourself.

Your Monday looks like this:

6:00 AM.

Scrolling TikTok

trying to figure out what to post.

You film it.

You edit it.

You caption it.

YOU POST IT.

...and pray it goes viral.

You ran ads to a post.

Spent R500.

Got 3 clicks.

None bought.

A lead comes in.
You stop everything.
Jump on a call.

THEY GHOST YOU.

You built a website.
Spent 3 weeks on it.
Added your \$450 offer.

7 sales in 4 months.

**You send people to your landing
page.**

And hope.

Hope is not a funnel.

You have a great offer.
\$450 coaching package.
10k followers.

STILL R0 IN PASSIVE INCOME.

The problem is NOT your content.

The problem is NOT your offer.

**THE PROBLEM IS THE
SYSTEM.**

You have no:

- × Email list
- × Automated funnel
- × Nurture sequence
- × Conversion system

Just a landing page and a prayer.

10,000 followers.

You send them to a landing page.

1% convert.

That's 100 people.

At \$450 = \$45,000.

Once. Not recurring. Once.

With a funnel:

10,000 followers

→ Email list of 2,000

→ Automated sequence

→ 200 buyers

= \$90,000. Monthly. Automated.

You are currently:

- **Content director & Video editor**
- **Ad manager & Sales rep**
- **Customer support**

And somehow also the coach.

YOU CAN'T
build a system
AND BE THE SYSTEM
at the same time.

What if you only had ONE job?
SHOW UP AND COACH.

Everything else: handled.

That's why we built

CAPE NETO SOLUTIONS

We are your growth operator.

WE HANDLE:

- ✓ **Funnel & Email Marketing**
- ✓ **Content & Email Automations**
- ✓ **Ad Strategy & Lead Qualification**

YOU HANDLE:

★ **Coaching. That's it.**

Here's the *system* we build:

Ad → Landing page

→ Email capture

→ 5-email nurture sequence

→ Sales page

→ **Payment. Automated.**

**Sending people to a landing page with no follow-up
is like opening a shop with no
salesperson inside.**

People browse. Then leave.

A funnel:

- Captures their email first
- Warms them up automatically
- Handles the sales conversation

Closes them while you sleep.
